

#### Dear Friends of Make-A-Wish,

We're excited, anticipating Easter and the holidays to come. Our thoughts go to those families who are not able to be with their loved ones through the annual festival, and the courage and love that have them get through it.

But in April, the Make-A-Wish movement is building World Wish about around the world.

This is an opportunity to remind you that the Make-A-Wish Foundation of Switzerland and Lichtenstein is a part of the wishes of the Make-A-Wish international network. This is a great idea, and we're so proud of our most dedicated supporters and volunteers who have been the help of the children and their families who have made their wishes come true.

#### What are the wishes for 2024 for Make-A-Wish in Switzerland and Lichtenstein?

For our friends, we were able to fulfill some very special wishes at the end of the year, such as that of the family from, who wanted to spend time with their dog and walk their dog in a beautiful area of the Alps. The family from Lucerne had their dog walk off for her throughout the weekend.

Young Leon wanted to spend a moment with his favorite dog, Ludo, at Zurich's Hohenstein, and his eyes are full of tears. Thank his first concert with his mother and his dog.

Other children were the recipient of Christmas Parc. It's lovely when they can spend time with their family, together with the dog, even when they are in a hospital.

But also, as part of our support throughout the year, we have been able to fulfill wishes for children who are in a hospital. We have been able to fulfill wishes for children who are in a hospital, such as that of the family from, who wanted to spend time with their dog and walk their dog in a beautiful area of the Alps. The family from Lucerne had their dog walk off for her throughout the weekend.

This year, our ambition is to grant even more wishes so that as many children as possible can enjoy the benefits of these therapies.

#### A great gala to kick off the year in Lugano!

Our first major event of the year took place in the center of Ticino. A magnificent evening full of emotion and wonderful moments took place on the terrace of the Hotel Grand Hotel. It was our wish to bring the spirit of the country and create new synergies with a host of partners. It was a real treat!

The end of the year was punctuated by a lot of events, some for families in hospital, others for children in hospital, but also for support of our initiatives, such as the initiative organized by Children's Cancer of Italy (Family Family Day).

#### Sign up now to run or walk in the Make-A-Wish colours at the Race for Girl!

Get your friends on our side and support our mission by signing up to this charity run or walk in the colors of the children in hospital. You can choose to run or walk, and choose your distance (5 or 10 km), and become a real winner: the organizer of the year grants wishes!

To register, click here: [https://www.makewish.ch/raceforgirl](#)

Every day you will be helping a child who has cancer by taking his or her run. Do it for your own, with friends, family or colleagues as part of a corporate team.

#### Another team-building activity is the Wish Challenge Workshop.

This is an activity for companies and teams who want to improve themselves in the new year. It's a challenge that involves a lot of fun and team building. To be able to do this, you need to be a team. The workshop is a challenge in itself, but it's also a chance to improve your communication and teamwork skills. It's a great way to build a strong team and to improve your communication and teamwork skills. It's a great way to build a strong team and to improve your communication and teamwork skills.

#### Want to help us in a different way? Here's an example of a sporting challenge linked to crowdfunding.

All our volunteers are heroes. One of them has set herself an ambitious and exciting challenge: to complete the 2024 Grand Tour with a crowdfunding campaign. She has set herself a goal of raising 10,000 CHF to support the children in hospital. It's a great way to build a strong team and to improve your communication and teamwork skills. It's a great way to build a strong team and to improve your communication and teamwork skills.
